SELF-DECLARATION « DODD-FRANK ACT » & « CONFLICT MINERALS »

Kynoppe SAS has followed up on all relevant regulatory obligations and is committed to offer its customers, products that have been manufactured with the highest level of professional and ethical standards. To achieve this, Kynoppe SAS has developed processes to ensure that its supply chain is free of Conflict Minerals that are directly or indirectly financing or benefitting armed groups in war zones. By putting in place these actions, Kynoppe SAS demonstrates its commitment to source material from environmentally and socially responsible suppliers and to ensure that Contract Manufacturers are compliant with the expectations of Kynoppe SAS.

Kynoppe SAS certifies that, as far as known and based on information received from suppliers, no mineral used is coming from war zones such as defined by American regulation (Dodd Frank Act Section 1502 (p.838 and following)) and European regulation (EU n°2017- 821 dated may 17, 2017).
