To whom it may concern

We declare that Products supplied by KYNOPPE under trade marks : Tacthill®, ITW Switches®, Dilicomp®, Giovenzana International®, CTI Electronics®, Interlink Electronics®, Baran Advanced Technologies®, VCC® or any other brand, are in compliance with **directive 2011/65/EU (RoHS 2)** and **Commission Delegated Directive (EU) 2015/863 of 31 March 2015**, which amends **Annex II of Directive 2011/65/EU**, have been studied and we confirm that the goods (products/materials), listed below, and supplied to KYNOPPE are accordant with the last issue of the regulation mentioned.

Lead (0,1 %)
Mercury (0,1)
Cadmium (0,01 %)
Hexavalent chromium (0,1 %)
Polybrominated biphenyls (PBB) (0,1 %)
Polybrominated diphenyl ethers (PBDE) (0,1 %)
Bis(2-ethylhexyl) phthalate (DEHP) (0,1 %)
Butyl benzyl phthalate (BBP) (0,1 %)
Dibutyl phthalate (DBP) (0,1 %)
Diisobutyl phthalate (DIBP) (0,1 %)

According to information coming from our suppliers, their presence in our product, is not expected to be over than the thresholds indicated above. However, substances concentrations, both in finished products and in raw materials, are not routinely checked by chemical analysis, therefore we cannot give full warranties about their complete absence as impurities/contaminants, especially in grades using recycled raw materials.

This declaration does not relieve the converter from carrying out its own investigations and tests, neither does it imply any guarantee for certain properties nor the suitability of the product for the specific purposes included in above mentioned Regulation or in any other standard/norm.

For and on behalf of KYNOPPE SAS
Saint-Maur-des-Fossés, 27/01/2025

Important notice:

The properties stated above, cannot guarantee specific properties for specific applications. The user himself has the responsibility to check the properties of our products, for his application with specific tests and test methods. The user is responsible for usage, storage and handling of our products, following the general safety and environmental prescriptions for such products. Appropriate processing conditions for the articles must be applied. The information is provided in good faith and based upon the information and statements we received from our relevant up-stream suppliers. They correspond to the state-of-the-art and refer to the state of the laws at the date of issue.

This declaration is valid until product(s) or regulatory changes occur. No legal rights can be derived from it and KYNOPPE SAS disclaims any liability for any errors or omissions.
